Technology Planning

Learn how effective technology planning can minimize technology-related challenges, use staff time efficiently, and avoid wasting money on unneeded equipment.

Social Media Resources

Build strategic capacity, knowledge, and skills with powerful social media tools in support of your organization.

About CNCS:

The Corporation for National and Community Service (CNCS) is a federal agency whose mission is to improve lives, strengthen communities, and foster civic engagement through service and volunteering. The Corporation provides opportunities for people of all ages and backgrounds to serve their communities through Senior Corps, AmeriCorps, and Learn and Serve America.

About TechSoup:

TechSoup is a program of TechSoup Global, a 501(c)(3) nonprofit and a recognized leader in bringing technological empowerment and philanthropy to social benefit organizations across the world.
