- Please mute phone (“Mute”, “Mic”, or *6)
- Ask questions by:
 - “Raising hand”
 - Sending chat to host
- Annotation tools

The WBTT allows us to ...

- Expand program reach
- Ensure that more tutors receive quality orientation and training
- Support project directors in meeting training requirements

But ... it's NOT a substitute for face-to-face, onsite training

- Questions?
- How might you use the WBTT in your program?

Thank You!
