

Washington AmeriCorps Reflection Activity

Member Name: _____

Team Name: _____

Using the following questions, please use this opportunity to reflect on your service assignment and describe how you and your community benefited from the AmeriCorps program. Please use a separate page for each question and attach additional sheets as needed. Alternative reflection activities may be used to express program impact. Your impressions are important to us and will help make out-program stronger and benefit other members.

Reflection activity comments may be used in aggregate non-identifying forms for marketing and promotional purposes which demonstrate program impact. The Washington Service Corps will obtain written consent before using member names on any promotional material.

- * *What have you learned from your experience in the Washington Service Corps/AmeriCorps program?*

- * *How has your involvement in the Washington Service Corps/AmeriCorps served the community?*
