NEEDED**

The Retired and Senior Volunteer Program (RSVP) is a national, non-profit organization sponsored locally by the Western Arkansas Counseling & Guidance Center, Inc. It provides people 55 years of age and older with an opportunity to use the skills they spent a lifetime acquiring, in meaningful volunteer activities.

RSVP conducts recognition events for members of the program. This is our way of saying “Thank you” to the people who donate their time and talents to help their community and it provides an opportunity for our members to socialize with other active seniors.

Members of RSVP receive a bi-monthly newsletter that contains information about events and programs of interest. The local website www.WestArkRSVP.org provides a catalog of volunteer opportunities.

RSVP provides free limited supplemental insurance to registered members that is in effect while they are on their volunteer assignments. Coverage provided includes personal liability, medical and excess automobile liability.

Membership and the benefits of WestArk RSVP are without cost to participants. Over a hundred local non-profit and health organizations have requested RSVP volunteers

We're asking you to **VOLUNTEER!!!**

Put your life experience to work with RSVP. Join the many other seniors in your community who are taking time to improve the lives of men, women and children in their hometown. With RSVP, you can match your talents and interests to the needs of your community. Use your free time doing what you do best. See how your efforts make a difference.
