RSVP is part of Senior Corps, a program of the Corporation for National and Community Service. Senior Corps is a federal program that provides opportunities for over a half million older Americans to put their life experiences to work to benefit their communities. To participate, RSVP volunteers are over 55 years old; many have education or experience in their field of service. For their service, they are sometimes reimbursed for their expenses by sponsors, and RSVP provides appropriate volunteer insurance. All RSVP volunteers are supported by a sponsoring organization and supervisor. Contact information for the supervisor and organization is provided below. Please contact this person to seek more information, or with any questions or concerns:
